

A Final Note to ALL Parade Entrants

1. Maintain a safe distance of 8 meters (25ft). If you stop for any reason, please close up as soon as possible and maintain the spacing
2. **Timing.** This goes hand-in-hand with keeping your distance. Take your time and give the audience a chance to see and enjoy your entry
3. **DO NOT THROW OR HAND OUT ANYTHING FROM A MOVING VEHICLE!!** If you have anything to hand out, please ensure that it is done by people on foot.
4. Disperse in an orderly fashion. At the conclusion of the parade, **if you have passengers** please turn left onto Garry St and **DRIVE AS FAR AS YOU CAN DOWN THE STREET BEFORE ALLOWING PASSENGERS TO DISEMBARK.** If you do not have passengers you can exit the parade route by continuing on 47A Street.
5. Have fun!
